

# Turnstile Etiquette

- Swipe your card to enter and exit.
- Proceed through turnstile.
- Wait your turn (no tailgating!).
- Do NOT swipe your own card for someone else to enter or exit.
- When feasible, keep to your right when approaching the turnstiles to either enter or exit. This means that you will usually enter the building through the 2 smaller turnstiles and exit through the larger barrier-free turnstile.

Visitors to 720 Bay should proceed to the security desk.

**ALWAYS BRING YOUR ACCESS CARD TO WORK WITH YOU!**
